

Join Thomas Matulewski, M.D., medical director of the Center for Breast Health at Delaware County Memorial Hospital, for a special presentation:

The DCMH Center for Breast Health: Comprehensive Breast Care for You, Your Family and Friends

Saturday, October 31
9 a.m.

Delaware County Memorial Hospital
Conference Center

(A continental breakfast will be served.)

At this presentation, you will learn about:

- The services offered by DCMH's Center for Breast Health—including patient education, screening, counseling, the evaluation of all types of breast concerns and more
- The importance of early detection
- Early warning signs of breast disease
- Treatment options for breast problems

Thomas Matulewski, M.D.
