

Guest Policy

Effective January 1, 2017

1. All non-members/guests will be required to complete and sign a Guest Waiver before being allowed access to the club. Guests may also be asked to provide a valid ID upon entering.
2. Members must be 18 years of age or older in order to bring a guest into the Healthplex Sports Club.
3. All guests must be 18 years of age or older. The only exception is a parent or guardian who is a current Healthplex member may bring their own children ages 13-17 years old in as a guest. Again, parent or guardian must be a Healthplex member, sign waiver on behalf of their child, and remain in the building during their child's guest visit.
4. The guest fee is \$20 per visit. Limit one guest per member.
5. An active Healthplex member must accompany every guest. Members are to meet their guest at the Service Desk. Guests will not be permitted to enter the club without the member being present.
6. The member signing in the guest must remain in the club during their guest's entire visit. Guests may not reserve tennis courts, racquetball, or squash courts.
7. The Healthplex member is responsible for their guest. Any financial obligations, damage caused during their visit or infractions of any Policy or Procedure of the club is the responsibility of the member.

***** Improper or unauthorized use of a membership card is prohibited and will result in a termination of membership at the sole discretion of the club. This includes attempting to bring a guest in without paying, using someone else's card or name to attempt to enter the club, bypassing the service desk, or entering through the Café Carl door. *****

It is our clear objective to insure that our dues paying members are provided with an environment that supports their priority status in regards to club services and facility access.

Thank you,
Healthplex Sports Club Management
