

# Healthplex Sports Club Severe Weather Policy

In the event of severe weather, the Healthplex Sports Club will make every attempt to open on time and keep the club open regular hours with all regular scheduled activities. The Healthplex Sports Club would be closed should a state of emergency be called. We reserve the right to delay/cancel classes, delay opening the building, or close the building early for the safety of our members, guests, and employees.

We recommend you call the Service Desk at **(610) 328-8888** for all appointments (e.g. orientations, trainings, spa services) or class/clinic cancellations, as well as late opening or early closing updates.

**We will also post all updates/closings on our website at [www.healthplex.net](http://www.healthplex.net), via email newsletter, and on the social media sites listed below. Find us on Facebook and follow us on Twitter.**

You may also be directed to call the Group Fitness Substitution & Cancellation Hotline at 610.938.2557 for future updates on classes.

Thank you,

Healthplex Sports Club Management
