## **KIDZ KLUB GUIDELINES FOR PARENTS**

### **OUR MISSION**

To provide a safe, clean and fun environment for your children while you enjoy all of the great offerings and services at the Healthplex.

### **REGISTRATION**

Parents must accompany their children to Kidz Klub. The same parent must pick up the child unless indicated in writing when the child is dropped off. Members may leave their child for a maximum of 2 hours and must remain on the premises at all times. Please remember that payment is due at the time care is given. Coaches are not permitted to hold payment until a later date. There must be a Child Registration Form on file for each Kidz Klub member.

### **ROOKIES & JUNIOR VARSITY**

Children must be at least 3 months of age to participate in Kidz Klub. Those between the age of 3 months and 18 months are known as Rookies. Reservations must be made in advance for all Rookies to ensure that proper staffing is available. You may reserve 48 hours in advance. If you cannot keep your scheduled spot, please let us know as soon as possible so we can accommodate another member. Children between the age of 18 months and 12 years are called Junior Varsity (JV) and do not require a reservation.

### **FOOD**

Out of consideration for those children with food allergies, we do not allow snacks or meals to be brought into the childcare area. Drinks and bottles are welcome. If you provide a drink for your child, please be sure to clearly label it with your child's name.

## **DISCIPLINE**

**Kidz Klub has a “Time-Out” policy. If your child displays inappropriate behavior our first action is to redirect. If the child continues the behavior we will give him/her a time-out (no more than a few minutes in length). If the problem continues, we will call the parent back to Kidz Klub. We reserve the right to deny any child use of our facility if their behavior becomes a chronic problem or if they cause harm to others.**

## **SPECIAL NEEDS**

**Kidz Klub does not discriminate against children with temporary or permanent disabilities. So that we can provide adequate care, we require detailed information regarding your child’s special needs and instructions for proper care. Reasonable accommodations can usually be handled in the childcare rooms. Each special needs child is different and therefore each case will be evaluated separately.**

## **ILLNESS**

**Please keep your child at home if he/she is sick! We will not accept children into Kidz Klub who display the following symptoms: Fever, diarrhea, vomiting, undiagnosed rash, severe cough, sore throat, eye discharge, pink eye or head lice.**

## **EMERGENCY SITUATIONS**

- **In the event of injury or illness the front desk will summon you back to the Kidz Klub using the intercom. We will also call the cell phone number listed on your child’s registration form. If necessary, we will initiate Emergency Medical Professionals.**
- **In the event of fire the Kidz Klub Coach will lead the children out the emergency exit located in the far corner of our rock wall area. We will proceed to the hospital lobby and exit the building.**
- **In the event of severe weather warning the Kidz Klub Coach will lead the children to the locker room area located on the ground level of the Healthplex.**
- **Kidz Klub Coaches are CPR certified and well trained for all emergency situations.**
